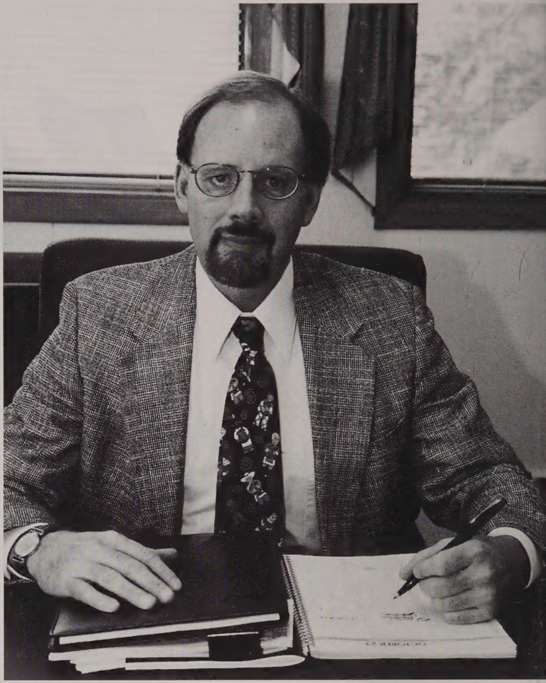
Administration, Faculty, & Staff



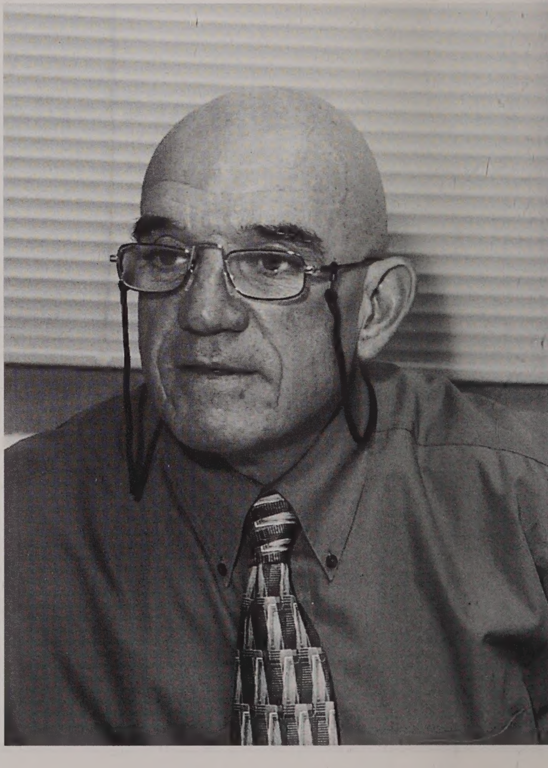
To the Class of 2003:

Congratulations to all of our graduating seniors. You have all achieved enormous successes over the course of your high school careers.

Whether in the classroom or in the wide variety of extracurricular activities offered at the high school, you have made us all proud. Continue to strive toward excellence in all of your future endeavors.

Best wishes for rewarding and successful post-secondary pursuits!

Dr. Francis J. Connor
Superintendent of Schools



To the Class of 2003:

Congratulations to each of you as you prepare to leave D-R. Whether you are off to school, the military, or work, you should feel confident in knowing that you have been well prepared for whatever is about to come your way. Don't fear the future; embrace it, for that's where you will spend the rest of your life. Look upon each new day and each new experience as a challenge that can only make you a better person.

Mr. Trent R. Danella
Principal

To the Class of 2003:

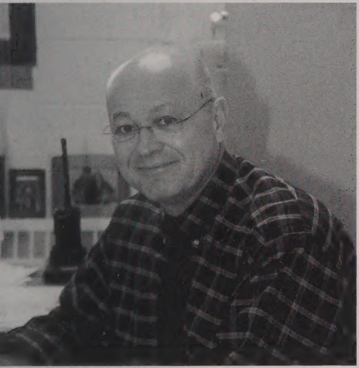
Congratulations to the Class of 2003. I hope that your years at Dighton-Rehoboth have been rewarding. May you always reap the rewards of your hard work. Whether you go on to school, the military, or the world of work, I hope that you are successful at whatever you choose. It has been my pleasure to work with you to help you achieve success in your future.

Mr. Paul Giannakoulis
Assistant Principal

To the Class of 2003:

Well done! You have made it through four of the most important years of your life. Now, you can reminisce on the events, friends, and teachers at D-R that have guided you during this time. You can also use the skills and knowledge you have acquired to go places and achieve things that you were not capable of four years ago. So, as you begin a self-guided tour through college, work, and life, I wish you all the best. Success and happiness are not easy to find, but I am confident that you will find them. Best of luck, and don't forget us!

Mr. Jose Libano
Assistant Principal



To the Class of 2003:

For the past four years you have been a student at Dighton-Rehoboth Regional High School, a member of the Class of 2003. You began as a freshman and ended as a senior. You took some classes, got some grades and credits, and for your effort you are awarded a high school diploma. You now become a graduate, an alumnus of this place. Congratulations! Now what? What's next on your agenda of things to do? Employment? Work? A post-secondary education? Whatever your next step, take what you have learned and never be satisfied with the level of knowledge that you have attained for there is so much more in store for you if you continue to be a life-long learner. My best wishes to you in all of your future endeavors.

Mr. F. Leon Sibielski
Director of Guidance

To the Class of 2003:

Best wishes and congratulations to the Class of 2003 and to their families. You have reached an important point in your life. However, this is not an end but instead a beginning. Take advantage of what D-R has offered you as you prepare to enter college, the military, or the workforce. Challenge yourself as you continue to learn and grow. Don't let the fear of failure keep you from moving forward. Remember that everyone has the potential of making a difference. You are our hope for the future.

The Drama Club, under the direction of Mrs. O'Reilly-LaSalle, put on two performances during the school year, both unlike previous production at D-R. The fall production was a murder mystery entitled "The Great High School Whodunit," which involved audience participation in solving the mystery. The spring production, entitled "In the Spotlight," was a musical revue which interwove such musicals as "A Chorus Line," "Fosse," "Jesus Christ Superstar," "Riverdance," and a student-written version of "Stomp" into one dazzling show. The students pictured above are only some of the 125 students who took part in these productions.

Robotics

The members of the robotics team worked together to design and build their own robot. Several engineers from Texas Instruments assisted the team in creating the robot. The team met several times a week in preparation for the culminating event of the year, a three-day competition in Connecticut. Special thanks to the co-presidents, Pat Ryan, Derek Rousseau, and Dave Alegria, and to the team advisor, Mr. Garrod, for their hard work throughout the year!

T.O.A.D.S. is an acronym for Teens Organized Against Drugs. This group of students is dedicated to leading healthy lives by abstaining from drugs and alcohol. At the beginning of the school year, all members sign a pledge to remain drug- and alcohol-free during the course of the year.

French Club

Interested in furthering students' understanding of French and the French-speaking world, the club members attended after-school meetings and some also viewed French films at the Cable Car Theater during French week. A play at Wheaton performed by a traveling French troupe was another activity presented to the membership. Members also went to the MFA in Boston to see a special exhibit of Impressionist art. Our Christmas celebration continues to be a club favorite.

Latin Club has fun with ancient Roman culture. We had an induction ceremony for 1st year Latin Club members where they went on a special journey to the Underworld. We celebrated Saturnalia with great food and gifts. We were able to go see an actual Roman play (performed in English, "gratias ad deos!") written by Plautus and hope to go bowling to celebrate Lupercalia! Semper ubi sub ubi!

Honor Bowl

The Honor Bowl team continued its excellence in the SCC with an overall winning record, and dominating wins over Wareham, Old Rochester, G.N.B.V.T., and Seekonk. With a knowledge base extending across time zones, and drawing on trivia of Picasso, pinwheels, and beyond, the Honor Bowl team represented D-R well as an academic force in the SCC.

Congratulations to the Math Team on another outstanding year! The team finished in the top three in all but one regular season meet, qualifying for league playoff meets in both the SMML and the SMCML. At the SMCML league playoffs, the team won their second consecutive championship, qualifying the team for both the State and New England regional meets. A small team of seniors also participated in an Interscholastic Math Competition at WPI this fall, earning an impressive top-25 finish. Good luck to all our seniors next fall!

This year's National Honor Society brilliantly displayed their scholarship, leadership, service, and character. The annual induction ceremony was held at the Venus de Milo restaurant. The traditional Valentine's Day carnation sale was again a valuable fundraiser for the society. The society also became involved in numerous service projects, including a fundraiser for St. Jude's Children's Hospital and the continuation of our successful tutoring program. Special thanks to our senior officers, Patrick Ryan, John Wilusz, Nicole Klink, and Laynie Sadler. Good luck to the graduating senior class! We will definitely have another great year next with the class of 2004 leading the way.

The 2002-2003 Peer Leaders are proud of their achievements this year. Along with advisor Mrs. Pridham, the Peer Leaders sponsored events such as Freshman Day, the Talent Show, and the 13th Annual Junior Post Prom Party. The Peer Leaders also sponsored this year's White-Out Day, designed to educate students about the dangers and costs of drunk driving. The Peer Leader officers would like to thank Mrs. Pridham for her efforts and wish her good luck with next year's program.

Portuguese Club

The main function of the Portuguese Club is to raise money for scholarships that will go to seniors involved in the club. The club also gets students involved in and informed about Portuguese culture. The club holds an annual dinner in which members, friends, and families meet and have cultural foods. Meetings are held about twice a month to discuss upcoming events, fundraisers, etc. Special thanks to our officers and our advisor, Mr. Augusto, for all their hard work throughout the year! Congratulations and good luck to all the seniors!

We're also planning an end of the year activity which will include singing Spanish songs around a campfire on the beach. El club de espanol es divertido, y la experiencia es dulce.

The 2002-2003 school year was a very successful one for the Student Governement. Sponsoring special events and fundraisers throughout the year, the Student Government remains an active and visible force in the school. Our annual Thanksgiving Day can drive was again an outstanding success; the new Spirit Week coin drive was also extremely popular, raising hundreds of dollars to support needy families in the area. Thanks to our officers for their hard work and to our advisor, Mr. Augusto, for his dedication and support throughout the year. Congratulations and good luck to all our graduating seniors!

SEASON SUMMARY

Despite graduating seven starters from last year's 20-3 championship squad, the 2003 Falcons captured the S.C.C. title for the eighth time in nine years. The pitching staff (2.50 team ERA), anchored by All-SCC selections Ryan Carignan (8-0 1.47 ERA 51k 12BB) and Barrett Cybulski (5-2 1.74 ERA 51K 21BB), was the team's strength. Three time All-SCC selection Gregg Allen led the offense, batting .425 with 3 HR and 21 RBI. Ross Pemmerl (.397), Kyle Murray (.347), and Kolby Boff (.290, 24 RBI) were productive as well.

In the state tournament, the falcons rallied for two runs with two out in the bottom of the seventh inning to defeat Duxbury 4-3 in dramatic fashion. The Falcons lost to Canton in the next round of the tournament 8-2 finishing the season with an overall record of 16-5.

Season Summary

Losing six seniors and returning only 2 starters made 2003 a rebuilding year. The number of 2-3 losses, especially to undefeated Bourne and EAC Somerset indicates a brighter future. Freshman Rachel Elman was 10-4 at third singles while Paige Lallier and Alyssa LeBlanc had a winning record at second doubles. Returning all seven starters while only losing Capt. Caitlyn Thibeault should aid the Lady Falcons in becoming future playoff contenders. Lisa Therisod, Carolyn Chmielewski, Ashley Barbehenn, and Rory Keegan all gained valuable experience which will aid their future development.

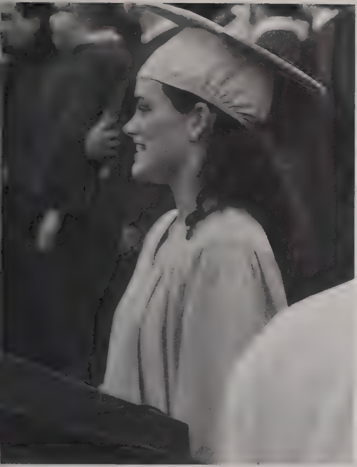
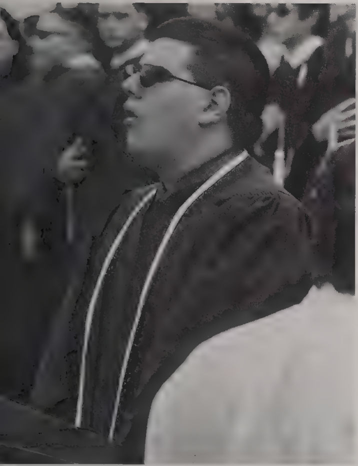
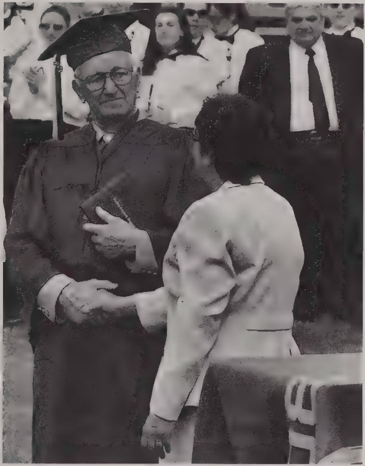
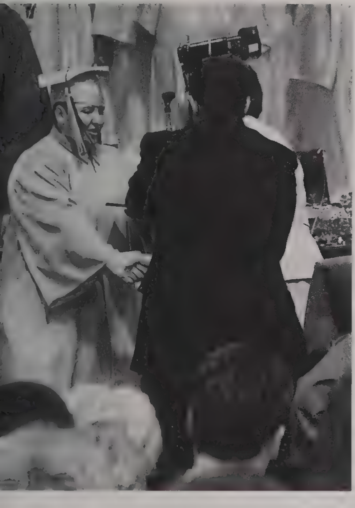
Closing Remarks
Mr. Danella, Principal









A Final Word From the Editor...

To the Class of 2003,

We are standing on the verge of one of the most exciting yet profoundly saddening milestones in our lives. As we prepare to exit the well-known, comfortable surroundings of D-R and make our way in the world, many of us are touched by the bittersweet taste and feel of this pivotal time in our young lives.

High school graduation certainly has its sweeter side as we look ahead to the new and exciting future shining before us. Armed with the education we have received both inside and outside of D-R's classrooms, we are uniquely prepared to meet the challenges and trials which the future holds; whether our paths lead us to college, the military, or the workplace, we have all garnered the tools we need to meet with success in our chosen endeavors. Finally free of the world of public education, we are ready to take our place in this new world of exciting opportunities unfolding before us.

Despite the unquestionable excitement of graduation, however, there is an undeniably bitter aspect to the experience as well. With the close of high school comes the unavoidable specter of separation from the close friends and caring teachers who have nurtured and guided us throughout our high school careers. As we disperse to the various futures awaiting us in the world beyond high school, we will never again come together as a whole, unified class; the laughter and tears, the many experiences of high school will become simply memories of good times gone by.

In this hectic time of change, I can offer only one simple piece of advice to the graduating class which has shaped both my character and my future for the past four years. Embrace the future, with all the excitement and uncertainty that it may hold. As you move forward, however, take time to remember the past and the high school which has so profoundly affected you over the past four years. Don't lose touch with the teachers, advisors, and coaches who have meant the most to you during your tenure at D-R, and never allow the winds of change to tear apart the friendships you have made.

I would like to express my warmest of thanks to everyone who helped to put this yearbook together throughout the year. Thanks to the school's administration, faculty, staff, and coaches for all the material and information they provided, thanks to Mr. Harwood for his dedication and hard work as yearbook advisor, and thanks to the yearbook staff, including Becky Lambe, Caroline McKeon, Summer Cannon, and Naomi Swallow for all of their help throughout the year.

Congratulations and best of luck to the Class of 2003!

Sincerely,

Laura Stafford, Editor-in-Chief
